RAISING AWARENESS AND FUNDS FOR BRAIN CANCER RESEARCH
WE REALLY NEED YOUR HELP!

My team and I are hosting our Inaugural WHITE PEARL CHARITY BALL on October 17th, 2015 at The Sofitel Sydney Wentworth.

All profits from this evening will be donated to the SYDNEY NEURO-ONCOLOGY GROUP (SNOG)'s research programme, housed at the Kolling Institute of Medical Research on the Royal North Shore Hospital campus.

Donations to SNOG are tax deductible (www.snog.org.au) and 100% of monies donated to the group go directly into research and patient support. The Ball has no associated administration fees with all parties involved in its organisation donating their time and efforts.

Brain cancer is the leading cause of cancer death in children under 15 years and adults under 39 years and is referred to by the Cancer Council as a 'forgotten cancer', chronically under-funded and under-researched.

In its malignant form it is almost 100% fatal. Please find attached brain cancer statistics and information.

We are seeking sponsorship in a number of ways as per the attached forms. We ask that you consider one or more options to support this crucial research.

Your contribution is much needed and greatly appreciated.

Should you require any further details, please do not hesitate to contact me, suzane@wpfundraiser.com.au or call 0418238723.

Thank you for your consideration and we look forward to hearing from you.

Kind Regards,

Suzane Peponis-Brisimis
